Platform

Online platform for video conferencing, chat, assignments and sharing of materials

Support

Friendly counselors who prioritise and address any engagement gaps

Satisfaction Guaranteed

We ensure that your child gets the 'best in class' tutoring experience

Our teachers connect with the students in unique and easy ways to provide positive experiences. I also liked that they clarified every small detail making it easier to absorb the information.

Advaith, Grade 7

My tutor was very good and considerate. I knew exactly what to focus on during the class. Tests were very helpful to make me comfortable with moving to other topics. Overall, the sessions were very well set-up and professional.

Pari, Grade 10
